

The Texas Lottery Commission files this notice of intent to review, and to consider for readoption, amendment, or repeal, the Commission's rules at Title 16 Texas Administrative Code Chapter 403, relating to General Administration. This review is being conducted in accordance with the requirements of Texas Government Code §2001.039 (Agency Review of Existing Rules). The Commission will assess whether the reasons for initially adopting each of these rules continue to exist. Each rule will be reviewed to determine whether it is obsolete, whether it reflects current legal and policy considerations, and whether it reflects current procedures of the Commission. Proposed changes to any of these rules as a result of the rule review will be published as separate rulemaking proceedings at a later date. Any proposed rule changes will be open for public comment prior to final adoption or repeal by the Commission, in accordance with the requirements of the Administrative Procedure Act, Texas Government Code, Chapter 2001.
