## LUCK IS CALLING IN FOUR NEW TEXAS LOTTERY® GAMES

**The Lucky 7s scratch ticket family features top prizes ranging from \$5,000 to \$1 million**

**AUSTIN** – Texas Lottery® players could receive a lucrative call when they play any of the new Lucky 7s scratch ticket games starting on Tuesday, Sept. 3. The four-game family, with tickets priced from \$1 to \$20, features more than 8 million winning tickets across the games, with top prizes ranging from \$5,000 to \$1 million.

“The Texas Lottery is excited to begin a new fiscal year with the Lucky 7s scratch ticket family, which offers more than \$177 million in total cash prizes across four games,” said Ryan Mindell, executive director of the Texas Lottery. “This family of games provides many chances for players to win big. If luck does call, players could pick up a top prize ranging from \$5,000 all the way up to \$1 million. The combination of these exciting prizes and the bright, holographic printing effects on the tickets is expected to make these games prominent at retail, helping to generate important revenue for public education in Texas. While playing for prizes like these can be thrilling, players should keep in mind it only takes one ticket to win and to play responsibly.”
