\$20 MILLION POWERBALL® JACKPOT-WINNING TICKET SOLD IN LEANDER **Texas Lottery® player to share the jackpot prize with Florida player,** **4th Powerball jackpot win in Texas Lottery history**

AUSTIN – A jackpot-winning ticket for the estimated annuitized \$20 million Powerball® Grand Prize that was advertised for the [May 2 drawing](#) was purchased in Leander. The winning Quick Pick ticket was sold at QuikTrip #4165, located at 10742 E. Crystal Falls Parkway, and matched all six numbers drawn (25-37-42-52-65, Powerball 14). With a second jackpot-winning ticket sold in Florida, the two winners will share the Grand Prize. The Texas player chose the cash value option at the time of purchase. According to the Multi-State Lottery Association, the ticket sold in Texas is worth approximately \$4.5 million before taxes. The Texas Lottery's winner has not yet come forward to claim the prize. The ticket holder has 180 days from the draw date to claim the prize. QuikTrip #4165 may be eligible to receive a \$250,000 retailer bonus for selling the jackpot-winning ticket under the Texas Lottery's [Retailer Bonus Program](#).

"Saturday delivered a major win for a Texas Lottery player and an exciting moment for our state," said Courtney Arbour, executive director of the Texas Department of Licensing and Regulation (TDLR), which oversees the Texas Lottery. "We look forward to congratulating our second Powerball Grand Prize winner in the last eight months when they come forward to claim the prize. Wins like this show the full impact that well-run Texas Lottery games have on players, retailers and our beneficiaries – public education and veterans' services – across the Lone Star State."

This is the fourth Powerball Grand Prize winner all-time by a Texas Lottery player and the first since September 2025 when Seven Bridges Revocable Trust, of Fredericksburg, claimed a share of a \$1.8 billion jackpot prize. Additionally, the Texas Lottery has now had at least one Powerball or Mega Millions jackpot winner during each of the last four calendar years. Texas joined the multijurisdictional Powerball game in 2010 and had its first Powerball jackpot winner in 2013 when Paul McDowell of Bells claimed the \$40 million jackpot from the May 29, 2013 drawing.

Overall, 29,421 winning Powerball tickets – with prizes ranging from \$4 to the jackpot prize – were purchased in the state for Saturday's drawing.

"If you believe you have the jackpot-winning ticket, we recommend you sign it, keep it in a safe place, seek financial and legal advice, and then call the Texas Lottery to schedule an appointment to claim the prize," Arbour said. "We also want to remind the public that intentionally or knowingly attempting to claim a lottery prize by fraud, deceit or misrepresentation is a criminal offense in Texas."

(more)

The winning Powerball jackpot on May 2 came just one drawing after the previous Powerball jackpot was won in the April 29 drawing, when two tickets sold outside of Texas shared the \$143 million jackpot prize. With the May 2 jackpot now won, the Grand Prize resets to an estimated \$20 million for the Monday, May 4 drawing.

Powerball Grand Prizes currently start at \$20 million and roll until the jackpot is won. Players win the Grand Prize by matching five numbers from a field of 69 numbers and one Powerball number from a field of 26 numbers. By choosing Power Play® for \$1 more per Play, players can multiply their non-Grand Prize winnings by two, three, four, five or 10 times*. A Power Play Match Five (5+0) prize is set at \$2 million regardless of the Power Play number selected. All other non-Grand Prizes will be multiplied by the Power Play number selected. (*The 10X Power Play multiplier is available for drawings in which the initially advertised annuitized Grand Prize amount is \$150 million or less.).

Drawings are broadcast each Monday, Wednesday and Saturday at 10:12 p.m. CT. Texas Lottery players can purchase Powerball tickets at more than 19,000 Texas Lottery retailers across the state. Ticket sales close at 9 p.m. CT on draw nights. The retailer that sells a jackpot-winning Powerball ticket is eligible to receive a bonus of up to \$250,000.

About the Texas Lottery

The Texas Lottery's functions and activities are administered by the Texas Department of Licensing and Regulation (TDLR), the state agency responsible for licensing and regulating a broad range of professions, occupations and industries in Texas. Beginning with the first ticket sold in 1992, the Texas Lottery has generated more than \$42.5 billion in revenue for the state and distributed more than \$97.1 billion in prizes to lottery players. Since 1997, the Texas Lottery has contributed \$36.5 billion to the Foundation School Fund, which supports public education in Texas. As authorized by the Texas Legislature, certain Texas Lottery revenues benefit state programs including the Fund for Veterans' Assistance. Since the first veterans' themed scratch ticket game was launched in 2009, the Texas Lottery has contributed more than \$299.2 million for programs supporting Texas veterans.

The Texas Lottery provides several entertaining games for lottery players including Powerball®, Mega Millions®, Lotto Texas®, All or Nothing™, Texas Two Step®, Pick 3™, Daily 4™, Cash Five® and scratch ticket games. For more information visit us on Facebook, X, Instagram, LinkedIn, YouTube or at [texaslottery.com](https://www.texaslottery.com). Must be 18 or older to purchase a ticket or enter a promotional second-chance drawing. PLAY RESPONSIBLY.

Editors/News Directors, note: When referring to the Texas Lottery as an organization, please use or say, "Texas Lottery" and not "Texas Lottery Commission."
