## FREQUENTLY ASKED QUESTIONS

### Q. How do I get a copy of my 1099 for last year's commissions?

**A.** The IRS form 1099-MISC is mailed by January 31 of each year to retailers with commissions totaling \$600 or more, except retailers who own and operate their businesses through corporations. The IRS does not require the 1099 form to be mailed to corporations. After January 31, all Texas Lottery® retailers, including those who operate via corporations, may call our Customer Services Hotline at **800-375-6886** for commission, bonus and incentive information. You also may send a request to **retailerwebhelp@lottery.state.tx.us**.

### Q. What is Problem Gambling?

**A.** The National Council on Problem Gambling indicates that problem gambling (sometimes referred to as gambling addiction or gambling disorder) is gambling behavior that is damaging to a person or their family, often disrupting their daily life and career. Anyone who gambles can be at risk for developing a gambling problem, but teens are at higher risk (4-6% of youth ages 12-17) than adults (1%). Gambling disorder is a recognized mental health diagnosis.
