If a game closes due to Zero Top Prizes, retailers may sell any of the other promotion games to reach the pack threshold. Retailers must be Active on July 5 to be eligible for free packs and drawing entries. If the Texas Lottery identifies irregularities in pack settlements or returns, the agency may disqualify a retailer from participating in incentives and take action against the retailer's license.

### DRAWING

- Pending audit, the drawing is planned for **July 22**.
- Only one drawing prize per location. A chain with multiple locations may win at more than one location.
- If there are not enough unique retailers with entries to award all the prizes there may be fewer winners for the drawing.
- Pending audit, drawing payments to retailers' lottery bank sweep account are planned for **August 22**.

### FREE PACKS

- Retailers who qualify for free packs, but do not maintain their Texas Lottery® license after **July 5** must contact their IGT district office by **July 10** to claim packs.
- Results will be available after **July 29**, pending audit.
- Tickets will be delivered by **September 8**.

\*The Texas Lottery may substitute a different scratch ticket game of equal value for the game listed.

\*\*Packs must be in Settled status and have at least one validation recorded in the system to qualify for the promotion.
